

Danellé & Nick

DIVEMASTERS

Seasoned & ecologically aware DiveMaster couple looking for work at a dive centre or resort

Between us we also provide the following services: Yoga Instructor, Professional Underwater Videography, Photography & Drone Filming, Video Editing & Graphic Design, Sustainability & Biodiversity Expertise.

Danellé is a very experienced DiveMaster. On previous travels to Madagascar and Thailand she was an ecology diver on reef conservation programs. Above the waves, Danellé's passion is yoga. She studied Ashtanga in India and teaches regularly in the UK. Danellé is also a sustainability and biodiversity strategy consultant for home builders and investors, and has worked with international clients with multi-billion dollar portfolios.
